Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Tuesday 06 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry, quite bright and warm on Wednesday.

This Evening and Tonight:
Late sunshine near north coast. Cloud and showery rain in central and southern areas will clear from the north later this evening with clear spells developing. There will be some patches of mist and low cloud later in the night. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Low cloud lifting then bright or sunny intervals, though still quite a bit of cloud around. Light winds and quite warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
A lot of dry weather with just a few showers. Clouds breaking at times to give some warm sunshine. Light winds.
